Greek Language Online Seminar by Democritus University of Thrace

Democritus University of Thrace in Greece will be offering a four-month online seminar, taught in English, on the Modern Greek language (15/03/2026-16/07/2026).

Whether you wish to begin learning Modern Greek for academic or research purposes, or if it has always been your dream to learn a bit of the language because you love or admire it, or perhaps because you are considering working in Greece or simply enjoy learning foreign languages – this is a wonderful opportunity for you.

The seminar is open to all age groups, educational backgrounds, and nationalities, provided you are a native speaker of English or hold any English language certificate at a B2 level.

To complete your registration, you will need to submit your high school diploma or university degree, your English language certificate, and the tuition fee. The submission deadline is March 8th 2026, and spots are limited.

For registrations and further information, please visit:
